## Under Desk Deposit Safe and Drawer Set

### Technical Overview

#### Time Delay Deposit Safe

Ideal for Banks, Foreign Exchange Outlets, Agencies and Businesses that receive, dispense and process significant volumes of cash.

Helps manage cash drawer limits by allowing ergonomic deposits into time delay safe via deposit slot at top of drawers.

Hard wearing steel and powder coated paint finish, with roller bearing drawer slides for commercial use.

#### Locking

Digital Electronic Time delay lock to deposit safe with alarm integration for duress alarm signalling

Additional key operated slam lock to Safe Door

#### Occupational Health & Safety

Use of time delay safes to restrict available cash is a recognised deterrent to criminals and helps protect your staff and cash.

Alarm duress can be sent via the lock keypad when entering code to alert security of a possible threat to staff.

Safe locking self-locks when safe door is closed

#### Cash Drawers
